

Welcome CRWGA Lady Golfers

We are so excited for the upcoming season. A few things to make your Tuesday play fun and easy.

1. You must register now click on the Join icon-see website <https://coyoterunwomen.azgolf.org/> in order to play in CRWGA.
2. Note: **the website is your go to for all information**, results etc. Also check the golfers lounge for sign up, weekly games, game descriptions, team news, upcoming tournaments, events, and results.
3. November thru April all play 12:30 shotgun.
4. To assist the Golf Genius process, **sign up for the week is needed by Sunday at 5pm..** After 5pm on Sunday sign up is closed for that week. Signup sheets are posted one week out and in the golfer's lounge. Individuals are responsible to sign up on the weekly game sheet in golfer's lounge. All play is from the green tees. For any events with a Dinner/Social you may sign up for both golf and social, golf only, or social only.
5. On Tuesdays, please check in to the pro shop 30 minutes before the shotgun. Your foursome scorecard and game explanation will be distributed then. On the pro shop door, the foursomes are posted for that day along with hole assignments.
6. Upon completion of play the score card for the group needs to be reviewed by players for **accuracy of hole-by-hole scores, Gross scores only and then signed and attested** and dropped off in the **box outside the pro shop entry door**. **Golf Genius will calculate the game of the day.** If a team/individual desires to calculate game results, they MUST do so using a separate card.
7. Our Tournament/League Chair will be entering all scores into Golf Genius and post your score to GHIN. **Our Web manager will post the daily winnings to the website. Results will also be posted in the golf lounge by Wednesday afternoon.**
8. Only chip ins need to be recorded in the golfer's lounge. Golf Genius will record all ringer cards, Birdies, Eagles and Hole in One!!!
9. Winnings for game days are pro shop credit. Credits may be used at either Coyote Run or Heron Lakes. All pro shop credit needs to be used by July 1st.
10. Please be considerate to the group and if you need to cancel play do so ASAP by calling or text Jan Biddle at 303-881-7808. This helps get the foursomes organized and play to start on time Tuesdays.
11. Please be considerate to pace of play.
12. Non CRWGA members / guests follow the field (provided there is space) and are not part of the game or eligible for winnings.
13. Suggest you attend all Monthly Member meetings to stay advised of the CRWGA information.
14. Lots of communication is sent to the CRWGA group via Margie Caves our communication chair. If you receive an email from Margie please read. All committees and the Board etc. work diligently to make our golf experience fun but it requires the membership to pay attention.
15. **We the Committee are choosing to modify Rule 10.3 to use Model Local Rule H-1.1 "A player must not have a caddie during CRWGA league play.** Revised 3/27/2025.
16. Lastly, have fun and make friends while enjoying an afternoon of golf.

Thanks!

Jan Biddle
